

Raunds Community Library faces possible closure

Our current funding partner faces financial pressures and is having to leave the partnership. Unless another sponsor/partner can be found the services the library offers will be lost to the town:- Mums and Tots groups, free children's activities, help for the elderly with bus passes and blue badges, a warm space for those in need, book delivery to the housebound, free computer access, a meeting place for 20 small local groups plus the usual book lending expected of a library.

NNC do not want the library to close but cannot treat us differently from other libraries so they cannot fund us.

In order to gauge public opinion on the value of a library and to consider possible ways forward we invite you to **A PUBLIC MEETING AT THE LIBRARY ON DECEMBER 12th AT 7.30PM.**

YOUR ATTENDANCE WOULD BE OF GREAT HELP

RAUNDS COMMUNITY LIBRARY TRUST
